BURLINGTON VEGFEST KEEPS GROWING!

We're thrilled to announce that the fifth annual Burlington VegFest will once again be held at the iconic Spencer Smith Park! This beloved venue is the crown jewel of Burlington's festival scene, offering a prime downtown location, abundant foot traffic, stunning lakefront views, and plenty of public parking for our guests.

Our 2025 event drew an incredible **15,000 attendees** – our largest audience yet! This milestone

reflects not only the success of our first year at Spencer Smith Park but also the momentum of our growing community.

What began as a grassroots initiative led by a passionate team of volunteers has flourished into one of Burlington's signature events. Each year, we reach more people, inspire more positive change, and create a joyful space to celebrate the benefits of a vegan lifestyle.

Celebrating our **SANCTUARY PARTNERS**

Animal sanctuaries hold a special place in our hearts. They embody the compassion, rescue work, and second chances at the core of the vegan movement. Burlington VegFest is proud to offer sanctuaries a unique platform to share their stories, connect with the community, and raise much-needed funds to support their lifesaving work. To honour their contribution, we offer sanctuaries a special exhibitor rate of only \$50 — a rate unique to VegFests and a reflection of our commitment to helping these organizations thrive.

Your sponsorship helps us spread the word – and the love!

Burlington VegFest isn't just about delicious food, cool vegan products, and organizations. We're also committed to giving back to the community! Every year, we donate \$1,500 worth of vegan food to the Burlington Food Bank.

We also partner with Burlington Green to make sure our festival sets the standard for being environmentally friendly. That means every exhibitor at Burlington VegFest adheres to our green agreement. After all, protecting the environment is one of the key benefits of being vegan.
